

INVESTING BEYOND THE LESSON PLAN

2024 ANNUAL REPORT

The Cedarburg Education Foundation (CEF) is a 501(c) 3 non-profit corporation founded in 2006. The CEF is a self-sustaining partner with all Cedarburg public schools and community - sharing the pride and passion of creating educational excellence for our students. The Foundation prudently receives, manages, and invests contributions to achieve the optimum benefit for the children of the community. The CEF provides grant funding to support curriculum innovation including equipment and materials for Cedarburg School District students, teachers, administrators, and staff members.

From Our President

Dearest Cedarburg Community & Friends,

On behalf of the Cedarburg Education Foundation (CEF) Board, I am thrilled to share my deepest gratitude for your unwavering support and partnership throughout this incredible year.

Together, we raised over **\$163,000** during our 2024 Gala—an inspiring testament to the strength and generosity of our community. Thank you to **Olsen's Piggly Wiggly** for their loyal commitment as our Presenting Sponsor for a fifth consecutive Gala. Your belief in our mission continues to fuel the work we do for students across our district.

This year, the Foundation awarded over **\$26,000 in grants** to support innovative projects across our schools. From **Story Stroll podiums** that bring literacy outdoors, to **advanced 3D printing equipment** that empowers students to build real-world engineering solutions, your contributions have directly enhanced learning and inspired creativity in countless ways.

Our strategic initiative to put the “A” in STEAM continues to grow, focusing on innovation through **Science, Technology, Engineering, Art, and Mathematics**. We're excited to support new CHS courses and replicate successful innovation practices district-wide.

To our exceptional **CEF Board members** and dedicated **Student Ambassadors**—thank you. Your leadership, enthusiasm, and commitment continue to drive our mission forward. The passion you bring to every meeting, event, and initiative is truly the heartbeat of our organization.

Finally, to every donor, sponsor, volunteer, and community supporter: thank you. Your involvement—whether financial or hands-on—makes a profound difference. Because of you, our students are better equipped, our educators are more empowered, and our schools are more innovative.

As we look ahead, I am filled with pride and optimism. With your continued partnership, we will keep pushing boundaries and creating opportunities for every student in Cedarburg.

With heartfelt appreciation,
Christina Wegner

STEAM Strategic Plan

Supporting our kids
with 21st Century
Arts Opportunities

The Cedarburg Education Foundation has designed a strategic fundraising plan to focus on putting the "A" in STEAM. This campaign will provide financial support for aligned strategies across the entire Cedarburg School District from our incredible elementary schools through middle and into high school.

INITIATIVES

2024 - 25

- Study, highlight and replicate impactful teacher and student application of innovation practices
- Implement new CHS course(s) aligned to the District's Innovation Vision 3.0

Grant Impact Stories

Story Stroll Holder Installations

\$1,500 February 2024

"The grant of \$1,500 towards the Thorson story stroll holders has allowed students to enjoy literature while also having the benefit of nature. Children attending Thorson elementary school and those in our community are fortunate to have a safe outdoor space to run, play and navigate. They have access to an outdoor learning center for creativity, exploration and with the addition of the story stroll, they have access to a variety of literature. The students have loved being able to get outside and enjoy the benefits of nature while learning."

Kelly Papke – Thorson teacher

3D Printer Advancements

\$25,000 February 2024

"The grant from the Cedarburg Education Foundation has had a remarkable impact on our Technology and Engineering program at Cedarburg High School. With the upgraded equipment, our capstone students have been able to take their design and engineering skills to the next level, beyond what normal 3D printing has allowed. They've applied their knowledge to create functional, real-world solutions, including custom replacement handles for a truck topper, specialized fixtures for our tube bender, and carbon fiber-reinforced parts for a robotics project. These hands-on projects have provided invaluable learning experiences, preparing our students for future careers in engineering and manufacturing. We are deeply grateful for the Foundation's support in fostering innovation and technical growth." **Daniel Kneiss – CHS teacher**

Endowment Funds for Our Future

Over 10 years ago the CEF Board had a vision to invest a portion of proceeds from event profits to provide necessary funding for larger grants and to ensure the financial sustainability of the Foundation. Our endowment is managed by the Greater Milwaukee Foundation.

Thank you for your vision!

Ways to Give

CEF graciously accepts donations big and small.

Community members and businesses are encouraged to give year round in a variety of different ways.

Gala Sponsors

Organizations and individuals willing to make cash donations, in-kind contributions or donate auction items will receive marketing opportunities based on the contribution.

Innovation Donors

Organizations and individuals willing to make cash donations to directly fund innovation throughout the Cedarburg School District (ie Makerspace grant).

Please visit us at cef4kids.org to make a contribution

Connected to Our Students

Thank you to our Cedarburg High School Student Ambassadors. They attend and participate at board meetings, volunteer at events, work on grant submissions and run the foundation social media.

We are grateful to have them on our Board!
